TRAVELING THOROUGH THE CIVIL WAR Presentation - - At 2 pm on Saturday, Nov. 8, Evonne Cook from Clothesline Quilts will be at Quilted Steeple presenting her program on the Battle Series and Generals of the Civil Wars. I find Evonne very interesting as she speaks about the Civil War Battles and the Generals that served our country. Each quilt in her series represents a major battle of the American Civil War from 1861 through 1865. Each quilt has short historical story about the battle and each of the patterns in this series has a fictional letter from the battlefield - a fun way to learn a little more about our country's history and the hardships of war. You will discover the history of the Generals of the American Civil War. Like the Battle Series there are biographical sketches of the generals and interesting information on his life, family and career. Also the Kossuth County Historical Society will have their county display for all to view before and after Evonne's presentation. There will be a \$5 admission charge to help cover expenses.

Sunday, November 9 / 2 pm Free will offering

("Gypsy") Cemetery, early Romani ("Gypsy") culture and their role in the Civil War. A free will offering to benefit KCHS will be accepted.

The Kossuth County Genealogical Society is pleased to present its exhibit, "Kossuth County and the Civil War."
